CONFERENCES & SCIENTIFIC PRESENTATIONS

Some Conferences:

41. PHEHP Session (Public Health Education and Health Promotion) American Society for Public Health APHA Conference Philadelphia 2019
42. Adamu, M. B., Moshood, A. Y., Adamu, S. U and Uba, A. (2017). Invitro antibacterial activity of crude extract of Leaf, Bark and Root of Azadirachta indica on some selected Medically Important Bacteria. 40th Scientific Conference for Nigerian Society for Microbiology held on 4th -8th December 2017 at Abubakar Tafawa Balwea University Bauchi.
43. Adamu, M. B., Samaila, A. B., Adamu, S. U and Tahir, F. (2017). Helminthes Parasites of some Vegetables sold in some selected Markets in Bauchi Metropolis. 40th Scientific Conference for Nigerian Society for Microbiology held on 4th -8th December 2017 at Abubakar Tafawa Balwea University Bauchi.
44. Adamu, M. B., Moshood, A. Y., Adamu, S. U and Uba, A. (2017). Antibacterial activity of Alkaloid, Flavonoids and Lipids from Azadirachta indica parts and the crude extract of A. indica on some selected Medically Important Bacteria. 40th Scientific Conference for Nigerian Society for Microbiology held on 4th -8th December 2017 at Abubakar Tafawa Balwea University Bauchi.
45. Adamu, S. U., Panda, S. M and Mufatu, B. J. (2017). ATTENUATION OF Schistosoma mansoni CERCARIA USING METHANOLIC EXTRACT OF Jatropha curcas. Biotechnology Society of Nigeria Annual Conference Federal University of Technology Minna October 2017
46. Adamu, S. U., Panda, S. M and Muftau (2006). Attenuation of Schistosoma mansoni cercaria with leaves extracts of Jatropha curcas. Second Scientific Meeting of Western African Network of Natural Products Research Scientist (WANNPRES). Elmina Beach Resort, Ghana. August 1st-4th 2006.
47. Adamu, S. U., Kela, S. L. And Sueliman, M. M. (2004). In vitro evaluation antischistosomal potency of some Nigerian Medicinal Plants. 13th Annual Conference of botanical Society of Nigeria (BOSON). Abubakar Tafawa Balewa University, Bauchi. September 26th-30th 2004.

48. Adamu, S. U. (2004). The in vivo activity of some Plants extracts on worm burden in murine model of Schistosomiasis. First Scientific Meeting of Western African Network of Natural Products Research Scientist (WANNPRES). University of Ghana, Legon, Ghana. August 15th-21st 2004.
49. Adamu, S. U and Mohammed R. H. (2004) comparative study on the susceptibility of Albino Rats and mice to *S. mansoni* infection. A paper presented at National Zoological Society Conference, Ahmadu Bello University, Zaria 8th - 11th November, 2004.
50. Uba, A; Ogidi, J.A; Adamu, S. U, and Dominic, A.F. (2000) Prevalence of Human Immunodeficiency Virus/Acquired Immune Deficiency Syndrome (HIV/AIDS) in Bauchi Nigeria. 2nd National conference of League of Nigerian Researchers, Abubakar Tafawa Balewa University Bauchi. November 2000.
51. Uba, A; Adamu, S. U, and Stephen S.T (2000) Determination of a baseline (Local) Titre for the Interpretation of Widal Agglutination test in Bauchi Nigeria. 2nd National conference of League of Nigerian researcher, Abubakar Tafawa Balewa University Bauchi. November 2000.
52. Adamu, S. U., Panda, S.M. and M. Aminou (1998) Yelwa Stream as a potential *Schistosoma mansoni* transmission site in Bauchi Metropolis. 22nd annual conference of Nigerian Society for Parasitology held at University of Benin. November 1998.
53. Adamu, S. U (1998) Schistosomiasis:- Traditional Belief and methods of treatment in Firo village Bauchi. 22nd annual conference of Nigerian Society for Parasitology held at University of Benin. November, 1998.
54. Adamu, S. U. and Dukku, U.H. (1998) plants used as antischistosomal agents in Bauchi and its environs. A Conference on Natural Products in drug development organised by the Antimicrobial plant research group, Faculty of Pharmacy, Obafemi Awolowo University, Ile-Ife. 18th –21st October, 1998.
55. Adamu, S. U., Yusuf, S.R. and Majeed, Q. (1998) Management of *Dermestes maculatus* in Fish using some biological parameters. 14th Annual Conference of Farm Management Association of Nigeria held at Abubakar Tafawa Balewa University, Bauchi. 20th – 24th September, 1998.
56. Adamu, S. U. (1997). Fishing and Urinary Schistosomiasis in Firo village, Bauchi. 21st Annual Conference of Nigerian Society for parasitology held at Abubakar Tafawa Balewa University, Bauchi. 26th – 29th November, 1997.
57. Adamu, S. U. and Istafanus, W.A. (1997) Preliminary Screening of the antischistosomal effect of cold water leaves extract of *Carica Papaya* in *Schistosoma mansoni* in mice. 21st Annual Conference of Nigerian Society for parasitology held at Abubakar Tafawa Balewa University, Bauchi. 26th – 29th November, 1997.

58. Poloma, K. Y., Fabiyi, J.P., Adamu, S. U. and Panda, S. M. (1997) Intestinal Helminths of Free Ranging Chickens in Bauchi. 21st Annual Conference of Nigerian Society for parasitology held at Abubakar Tafawa Balewa University, Bauchi. 26th – 29th November, 1997.

International Conferences / Workshops

59. International Conference/Workshops
60. Good Laboratory Practice Workshop. Organised by Western African Network of Natural Products research scientist (WANNPRES). University of Ghana, Legon, Ghana. August 15th-21st 2004
61. Bioactive Fungal Metabolites: Impact and exploitation. A Symposium organised by the British Mycological Society, School of Biological Science, University of Wales Swansea. United Kingdom. April 22nd-27th 2001
62. PHEHP Session (Public Health Education and Health Promotion) American Society for Public Health APHA Conference Colorado 2021
63. PHEHP Session (Public Health Education and Health Promotion) American Society for Public Health APHA Conference Huston 2016
64. PHEHP Session (Public Health Education and Health Promotion) American Society for Public Health (APHA) Conference Boston 2013
65. PHEHP Session (Public Health Education and Health Promotion) American Society for Public Health (APHA) Conference Philadelphia 2009
66. David, I. L. Kwanashie, H. Adamu, S. U et al., (2023) Education for Sustainable Development Capstones: Trans-national educational activities that transform learner experiences, outcomes and futures. Conference: 19th World Congress of World Basic and Clinical Pharmacology Conference, 2 – 7 July, 2023 At: Glasgow Scotland.
67. Attended the Fogarty Bioethics Meeting at National Institute of Health Bethesda Maryland United States May 2023. <https://www.fic.nih.gov/News/GlobalHealthMatters/july-august-2023/Pages/bioethics-researchers-nih-reflect-on-past-look-to-future.aspx>
68. Fogarty Bioethics writing retreat; April 29-30th 2024 at Stone House National Institute of Health Bethesda Maryland USA

SEMINARS

Some Seminars:

69. Presented Numerous Papers at Departmental Seminars some leading to Award of Post - Graduate Degree.
70. Schistosomiasis: Traditional Belief and methods of treatment in Firo village, Bauchi. A seminar paper presented at the Department of Biological Sciences, Abubakar Tafawa Balewa University, Bauchi. August 1998.
71. Insects as Food. A seminar paper presented at the Department of Biological Sciences, Usmanu Danfodiyo University Sokoto. January 1994.
72. Relationship between Authorities and Students in Higher Institutions. A seminar paper presented at National Seminar for Effective Communication for positive Management in educational Institutions, Organised by the Federal Ministry of Education and Youth Development at Jos. May, 2nd to 5th, 1992.

Honours & Awards

-  Professor and Mrs. Hamid 's prize for the best male final year student in the Department of Biological Sciences, Usmanu Danfodiyo University, Sokoto, 1992/1993 Academic Session.
-  Represents Govt. Sec. School Saminaka at Young Scientist Quiz Competition of 1985 at state level.
-  Serves as a reviewer to many Academic Journals

PROFESSIONAL MEMBERSHIPS / ASSOCIATIONS

-  **Fellow**, African Institute of Public Health Professionals
-  **Member**, American Public Health Association (APHA)
-  **Member**, Parasitology and Public Health Society of Nigeria (PPSN).
-  **Member**, Biotechnology Society of Nigeria BSN
-  **Member**, International Society for Development of Natural Product (ISDNP).
-  **Member** science Teachers association of Nigeria (Biology panel) (STAN)
-  **Member** Muslims Student Society of Nigeria MSSN
-  **Member**, Western African Network of Natural Product Research Scientist (WANNPRES).
-  **Member**, Nigerian Union of Journalists (NUJ).
-  **Member**, League of Researchers in Nigeria.
-  **Registered** with Teachers' Registration Council (TRC)

Hobbies & Interests

-  Reading, Traveling, Fishing.
-  Online Presence:
-  Google Scholar: Profile
-  ORCID: Profile

ACADEMIC & PROFESSIONAL SUMMARY

-  Professor of Public Health with extensive teaching, research and academic leadership experience.
-  Research interests and experience include public health, parasitology, epidemiology, infectious diseases, community health and natural-product-related research.
-  Experienced in postgraduate research supervision, research ethics review, curriculum development, academic administration and research grant activities.
-  Extensive public-service experience at state legislative and executive levels, including commissioner and constituency representation responsibilities.
-  Active in professional associations, community service, academic publishing, conferences and public engagement.
